

Never the Same Weekend Program Outcomes for Service Units

Thank you for joining us at Trefoil Ranch for your NTSW experience. The GSU Outdoor Program Department incorporates some Girl Scout programming into most of the outdoor programs or activities. If you coordinated with GSU to facilitate activities, please see below for badge and patch steps your participants had the opportunity to complete during the NTSW experience.

Amazing Animals

Girls will discover their inner biologist by identifying various animal tracks and making their own animal track to take home. Learn interesting facts about the animals that live around Trefoil Ranch. Study the life cycle and food chain of animals. Using a magnifying glass and tweezers, girls will get to dissect a sterilized owl pellet. Learn about bones and many other interesting facts.
