

All About Girl Scouts

Girl Scouts is more than an activity. It supports girls as they become the best version of themselves. It's a safe place where she'll make new friends. And, above all, it's a Movement committed to building girls of courage, confidence, and character, who make the world a better place.

Ways to Participate

Create lasting change. Identify an issue in your community and tackle the root cause to earn the Bronze, Silver, or Gold Award, the Highest Awards in Girl Scouting.

Be a force of nature. Build confidence, forge friendships, and create lasting memories at Girl Scout camp with your troop, your friends, or a trusted adult.

Keep the fun going. Unlock a new skill or embark on a new adventure with programming based on our four program pillars: STEM, Outdoors, Life Skills, and Entrepreneurship.

Go Solo as a Juliette. Get the same Girl Scout experience if there's not a troop near you; plus, family can join the fun.

Be a Volunteer

Your caring presence and authenticity are incredible gifts to share with the next generation of girls. Volunteering for Girl Scouts is a fun opportunity to be a role model just by being yourself.

As a volunteer, you are:

- » **A source of inspiration.** You can help your troop earn badges, guide them on a nature walk, and share your interests and skills with other volunteers.
- » **Part of a community.** Your local council and fellow volunteers will be there for you every step of the way.
- » **Making a difference.** Think of that one special adult who made your life brighter. Now, it's your turn.

And, most important, you have our support. Volunteers have access to activity guides, toolkits, and other resources to help you plan an incredible year. You'll also have a team of volunteers in your region (called a service unit) and a dedicated Membership Support Specialist at the council available to assist and guide you.

Getting Involved

Adults may choose to volunteer for their troop, their service unit, or the council running programs. Anyone 18 years of age and older of any gender who also passes a background check, becomes a Girl Scout member, and completes the required training can volunteer.

The Troop Experience

Troops are girl-led and volunteer-driven. Volunteers provide support and guidance to the troop, but troop members choose activities, badges, and projects together.

As a troop, you'll decide when, where, and how frequently to meet, often at schools, community centers, libraries, or places of worship that offer free meeting space.
