

Girl Scouts of Utah camps blend the natural beauty of Utah's Wasatch Mountains with comfortable, modern amenities. With two different facilities nestled amid native woodlands, peaceful lakes, and ranch country, our camps are spectacular sites guaranteed to provide your organization with the perfect environment for planning, team building, reflecting, setting goals, or just having fun. Indoors and out, for a day or overnight, you'll find a host of settings to choose from—all featuring wonderful vistas for winter, spring, summer, and fall. Both camps are in secluded locations, yet easily accessible from downtown Salt Lake City (about one hour away). Trefoil Ranch and Camp Cloud Rim are proud to be accredited by the American Camp Association (ACA) and meet up to 300 standards for health, safety, and program quality.
