

2023 Camporee Registration Worksheet

This worksheet is a guide of the info you will need to register for Camporee. Having this info before registration opens will help the process operate more smoothly.

*Registration opens Monday, February 6 at 12:00 p.m. and closes Wednesday, February 8 at 11:59 p.m.
Registration for 2023 is a lottery system and placement is not guaranteed.*

Participant Numbers

Troops are expected to follow a 1:5 ratio (one adult to five campers), regardless of age level(s) of Girl Scouts attending. Troops are required to pay for the number of youth and adult spaces reserved during registration (\$75/space). For example, if your troop reserves 12 spots during registration and only 11 people attend, the troop is still responsible for paying for the 12th spot.

List the number of campers entering each grade level in the fall 2023.

Grade 1	Grades 2-3	Grades 4-5
Grades 6-8	Grades 9-10	Grades 11-12

List the number of adults needed to maintain your ratio and if you need any additional adults. If your troop needs additional adults, you will need to provide your reasoning.

Maintain the troop camping ratio of 1 adult to 5 campers

Additional adults requested (*not guaranteed*) outside of 1:5 ratio*

**We understand some troops want to have an extra adult for various reasons. Our goal is to provide as many campers this camp experience as possible, while also ensuring your troop has the support it needs.*

T-shirt Sizes

List the sizes of shirts you will need for your troop (youth and adults).

Youth Small	Youth Medium	Youth Large	Youth X-Large
Adult Small	Adult Medium	Adult Large	Adult X-Large
Adult 2X-Large	Adult 3X-Large	Adult 4X-Large	

Lodging Requests

Most troops attending Camporee will stay in pop-up tents (provided by the troop) in the meadow at Trefoil Ranch (by the ropes course and archery). We have limited spaces available in platform tents and cabins for an additional fee.

My troop will only attend Camporee if we are able to stay in the platform tents and cabins for the additional fee of \$10 per person.

My troop has no preference of platform tents/cabins or pop-up tents. We understand that if placed in platform tents/cabins, we will pay an additional \$10 per person.

My troop would only like to bring pop-up tents for the meadow (no additional cost).

Explain any lodging requests your troop has due to health or accessibility needs.
