

# Camporee vs. Troop Camping

**Camporee** is an opportunity for Girl Scouts from across the state to gather, meet, share, laugh, and experience the outdoors. It can also provide a troop camping experience for first-time campers or experienced troops. Occurs every **three years**.

**Troop Camping** is a way for Girl Scouts and their troop leaders to enjoy the camp experience together. It can also serve as a step in the camp progression before sending girls to summer camp alone or before going camping on your own as a troop. Occurs **each summer**.

Both camp experiences are open to campers entering grades 1-12 in 2023, as well as Troop Leaders and other adult volunteers in the troops. Troop Leaders are responsible for providing consistency and supervision of their campers. In their role, camp staff members lead activities, interact with campers, facilitate the camp experience, and support Troop Leaders.
