# Print Troop Cookie Pickup Sheets

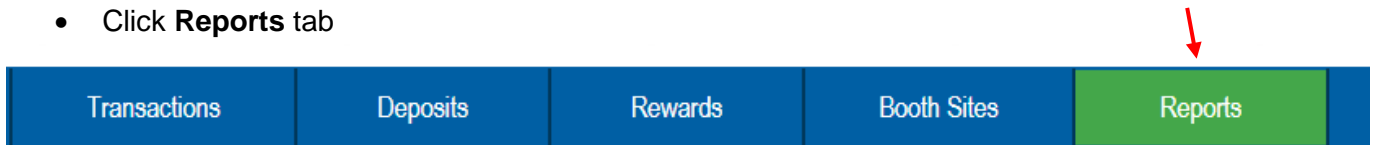

To help the delivery process, CPR's will print a colored pickup sheet for each troop in their community. These sheets will accompany the CPR to the delivery station on the appointed delivery day. The sheet contains troop number, number of cases by variety, total number of cases and delivery location.

### Step 1:

- Login to eBudde™ - <https://ebudde.littlebrownie.com/>

### Step 2:

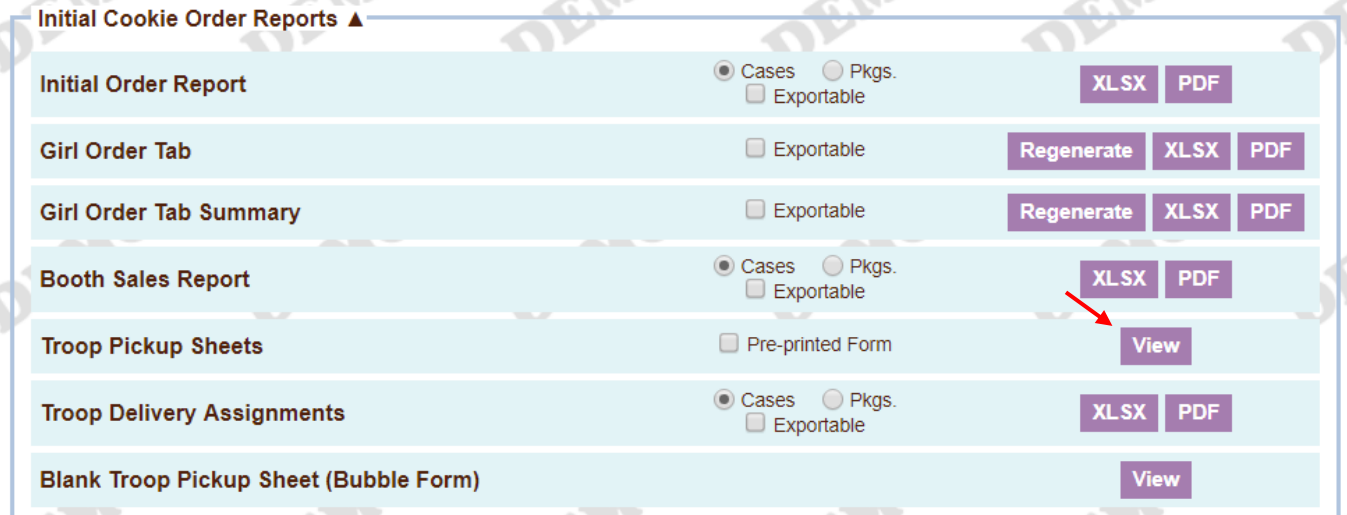

- Click **Reports** tab

### Step 3:

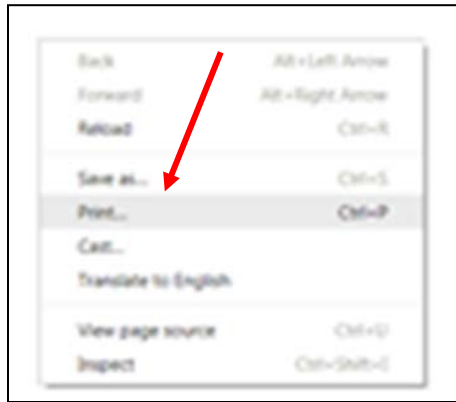

- Click **View** button for the Troop Pickup Sheets (leave the Pre-printed Form box unchecked)

### Demo (D601): Reports

**Step 4:**

- Right click (mouse button)
- Click **Print** prompt
