Good Morning,

What an incredible start to the cookie program. The girls are certainly embracing Digital Cookie and are showing their entrepreneurial spirit and "out of the box" thinking. Man am I impressed. If girls in your troop have not yet set up their Digital Cookie storefront, please encourage them to do so. Have parents contact GSU if they did not receive their welcome email. (check spam/junk folder first)

Booth update: JoAnn's and Lees have chosen not to participate in the booth program this cookie season. We appreciate all of their support of Girl Scouts in the past and look forward to working with them again in the future.

Moving forward, Associated Food Stores will no longer be a council-sponsored partner. These stores include Dans, Dicks, Fresh Market, Lin's, and Macey's.

All council-sponsored locations that are allowing booths this year are uploaded into eBudde. Smith's is allowing us 10 days, and Harmons will be every day except Saturday. (Special Olympics are there on Saturday.) Walmart updates coming soon.

Digital Cookie: GSUSA manages the Digital Cookie website. For errors and issues regarding the online process, such as shipping, emails not sending, cookie orders, and customer issues, need to go through GSUSA. Please use the HELP or Contact Us button at the bottom of the Digital Cookie website.

Thank you everyone; you are all amazing!

Allison
