Good Afternoon SUPPRs,

I have included a link to the Initial Order Discrepancy Form. Please compile the missing cases from Baileys Delivery/pickup initial order for all of the troops in your service unit. Fill out one form per service unit and submit by Monday, March 7.

We emphasized the importance that the TPM count, count and recount before signing the Delivery Ticket so we do not expect any missing cases from the Initial Order. However, if a TPM did get home to discover a missing case, they will report to you, the SUPPR, so you can let us know the total number for the entire service unit.

If a troop has a damaged case or missing packages from a case they can come into any cupboard and exchange for the same variety. Any extra cases can also be brought into a cookie cupboard.

Do not include the Samoas or Trefoil booth cookies that were removed from the Initial order booth line. We will add those back into eBudde as soon as we receive them.

Please reach out to me with any questions.
