Good Afternoon TPMs and SUPPRs,

As we finish out the cookie program TPMs will need to balance out their troop link orders and allocated those packages fairly to the Girl Scouts in their troops. I have included a link to a quick video that shows you the steps on how to remove packages from your troop link and add them to a Girl Scout.

I have also included a quick tip sheet with screenshots to help you with this process.

Wait until your troop is completely done with the program to complete this step. Your troop link inventory should be at 0 when you are finished. TPMs must have all packages allocated in eBudde by 8:00pm May 2, 2022.

As always, thank you for your support of GSU and Girl Scouts.

Allison
