It's time to Lead the Way! and Speak Up

Hey girls and families,
We've started our Fall Product Program, and it's time to get going! Reach out to your friends and family and ask if they'll support you and your troop with the troop's take action project! Be sure to let them know what the take action project is. Here's some information you can share with them.
My troop is earning money to adopt a service dog for an elderly woman in our community who needs a dog to help alert her before a medical emergency. We are hoping to earn enough money to pay for the dog's training as well as a few months of food and other pet care items. Will you help me and my troop reach our goal?
If you have any questions, give me a call!
Tracy
