

2022 Fall Product Program SUPPR Guide

Thank you for volunteering to serve as a Service Unit Product Program Representative. Our council offers this optional program to increase opportunities for Girl Scouts. Revenues generated from this program create start-up funds for troops, provide services for all Girl Scouts and troops, and develop quality training for adults. Without you, this would not be possible.

Why Participate in the Fall Product Program?

Benefits for Troops:

The GSU Fall Product Program is the perfect opportunity for troops to kick-off the Girl Scout year with a fun team-building activity that also generates essential funds to support troop activities. Also, new troops that have no resources in their treasury can quickly earn money to fund uniforms, Journey Books, and Girl's Guide to Girl Scouting books.

Troops retain a full 15% of the purchase price of all Ashdon Farms products as well as 15% of all Magazines.

Benefits for Girls:

The GSU Fall Product Program is an optional council-sponsored program that combines educational activities with money-earning opportunities for troops. The Fall Program is directed toward family and friends-those closest to Girl Scouting and enables troops to earn start-up funds by selling magazine subscriptions as well as nuts and chocolate.

Five skills girls learn through the program:

Goal Setting

People Skills

Decision Making

Business Ethics

Money Management

In addition to these important business and life skills, girls will also learn philanthropy through the **Gift of Caring** program.

Girl Scouts can launch their accounts on September 23, 2022. Please note that the system will not accept any early participant activity. Girls must wait until the launch date.

Parents will enter their own paper orders into their accounts through October 9, 2022. If they do not enter their orders, the TPM will need to do so through their volunteer account. You must be present to receive and sign for your delivery. P.O. Boxes are not acceptable delivery addresses. If you choose to use your garage as your delivery site, it must be clean, dry, and free of debris, pests, and harmful chemicals and/or odors.

Delivery times will be set up by our delivery agent, Baileys Moving and Storage, and you will be notified by phone or email of your delivery time window.

Your rewards delivery address can be different than product delivery address. P.O. Boxes are not acceptable delivery addresses. You do not need to be present for the rewards delivery.

Nut Order Delivery – Beginning October 31

Delivery and Distribution of Troop Order

- When the delivery agent arrives, review the delivery ticket provided. Count the product carefully and then count again to ensure that you have received exactly the right quantities of each product as shown on the delivery ticket. You should not receive any extras
- Sign the delivery ticket stating that you have received the products listed. The agent will give you a copy for your records
- SUPPRs will schedule their troops to pick up their product. Contact your troops with date, time and location. When setting troop pickup times be sure to schedule ample time to sort the items before troops arrive
- From your M2OS Service Unit dashboard, print two copies for each troop's delivery ticket to use when sorting orders
- Sort products into troop orders and attach the appropriate Delivery Ticket to each troop's order
- Instruct each troop to count and recount their order before signing the delivery ticket. By signing, the troop agrees to the quantities received as listed on the ticket and will be financially responsible for those products. Keep signed delivery ticket for your records and give the other copy to the troop

- Rewards begin shipping to SUPPRs and have no definitive date at this time. Rewards are typically delivered via UPS or FedEx
- Check packing slips and notify council immediately with any discrepancies
- Log into M2OS and click Delivery Tickets under Product Management. Scroll down until you see the Reward Delivery Ticket section and find Troop Tickets. Select your delivery location under the Delivery Site dropdown box, then click Create Tickets. Print two copies for each troop
- Divide rewards by troop using Delivery Ticket
- Have TPMs check their rewards for accuracy
- Obtain the TPM signature on one copy at pick up and give the unsigned copy to the troop
- Do not give rewards to troops who have an outstanding balance due to council. You will receive this information from your GSU Product Program Manager

Social Media Marketing for Girl Scouts

Please adhere to the following guidelines for Girl Scouts/families/troops:

- You can market to collect indications of interest from family and friends
- You cannot post a Fall Product Link on sites such as eBay, Craigslist, KSL Classifieds, Amazon, Next Door, Facebook Marketplace, yard sale sites, etc.
- All social media platforms should always be through accounts set to “private” or “closed”
- Friends and family or a Girl Scout must not market or share their contact information, sales links, or sales information on public-facing online sites. This also includes social media groups that are labeled as “closed” but include members of the general public (city pages, special interest groups, yard sale sites, etc.). This ensures the safety of our Girl Scouts and adherence to the program sale guidelines, as well as the numerous posting guidelines on websites and social media.
- Please note – it IS allowed to **reply** to someone’s post with a comment directing them to send you a private message for a link. You should not, however, be the original poster on **public pages** asking people to message you. You cannot use paid social media advertisements to promote a Girl Scout’s link or selling product in general.
- Girl Scouts must sign the [Girl Scout Internet Safety Pledge](#) before doing any online activities, and all online activities must be under the supervision of an adult
- Do not expose a Girl Scout’s email address, physical address, or phone number to the public
- Girl Scouts under 13 can use their parent or guardian’s online sites with their approval and supervision
- Girl Scouts over the age of 13 may work in partnership with an adult to market products online, using the social media of the adult or their social media sites
