

Troop COVID-19 Acknowledgment and Release

COVID-19 is an extremely contagious virus that spreads easily through person-to-person contact. As with any social activity, participation in Girl Scouts could present the risk of contracting COVID-19. While Girl Scouts of Utah takes every safety and preventative precaution, GSU can in no way guarantee that COVID-19 infection will not occur through participation in GSU programs.

By signing this document I acknowledge and agree:

- That GSU has taken certain steps to implement recommended guidance and recommendations from public health agencies to hinder the transmission of COVID-19.
- That by giving permission for my child to participate, I am assuming the risk of infection.
- That this document is a promise not to sue and is a release of all claims.
- That I will not send my Girl Scout to any event or activity if she is feeling sick or experiencing any of the symptoms related to COVID-19.

Girl's Name: _____

Parent/Guardian Name (print): _____

Signature: _____

Date: _____

A note to Troop Leaders: Please have your parents/guardians complete this form for every girl in your troop. You should keep this form with your troop files.
