

Play. Grow. Explore. Girl Scouts.

Events are offered on different weeknights in order to accommodate families' busy schedules. Girls can attend Daisy Launch sessions in any particular order and do not need to attend all sessions in a series.

Daisy Launch

For kindergarten and first grade girls, join us for this FREE virtual troop meeting series that introduces your girl to Girl Scouts! She'll learn about STEM, the outdoors, how to change the world, and all the things she can do as a Girl Scout.

Thursdays at 6:30 p.m

Sessions include Girl Scout Promise and Law, Make the World a Better Place, STEM Space Exploration, and How to Make Your Garden Grow.
