Celebrating 110 years of Girl Scouts

March 12, 2022, marks the 110th anniversary of Girl Scouts of the USA. For 110 years, Girl Scouts have found a way to dream big and do good. From reaching the outer limits of space to stocking their local food pantry, there is no challenge too big or need too small for a Girl Scout to tackle. Since day one, girls have found a way to create a better future for themselves, their communities, and the world.

Girl Scouts have been breaking down barriers to accomplish their goals and solving problems in their communities for decades. Join us as we celebrate 110 years of helping others, learning new things, incredible adventures, lifelong friendships, and so much more. To mark this milestone, we ask that you consider

a gift of \$110 to Girl Scouts of Utah to support the next generation of dreamers, changemakers, problem solvers, and leaders who are making the world a better place.

Girl Scout Cookie Booths Open Now!

Today marks the start of cookie booths in Utah! Girl Scouts have been working toward their cookie goals, and now is your chance to see them in action.

Over the past two years, Girl Scouts have faced a variety of challenges with resilience, tenacity, and creativity as they kept their small cookie businesses going. They did not give up in the face of adversity – especially when presented with issues completely out of their control.

The Girl Scout Cookie Program is a financial literacy program for Girl Scouts that is so much more than cookies. As part of the largest entrepreneurial program for girls, they build skills such as goal setting, decision making, money management, people skills, and business ethics, as they plan and execute their personal and troop small business.

When you buy Girl Scout Cookies, your purchase stays local and helps power amazing experiences for Girl Scouts throughout the year. From camp to travel to service projects, our young entrepreneurs are building skills and creating memories that will last a lifetime.
