## **Virtual Summer Camp Keeps Girls Connected**

Girl Scout camp is about sisterhood, developing a strong sense of self, encouraging each other, becoming resourceful problem solvers, and creating new and lifelong friends. Though it may have looked a little different this year, camp still delivered for our girls.

Here's what one mom had to say about her girl's experience after seeing her confidence soar: *"I can't tell you enough how much Carly has enjoyed these online camps. She has thought they were all*

*interesting, fun and loved all the variety you all have come up with. Over the course of your three camps, she has started to seem like her normal self again!"*

### **Utah Day of the Girl 2020**

We regret to announce that this year's Utah Day of the Girl event has been canceled.

Utah Day of the Girl is a celebratory day for business and community leaders to come together to advance opportunities for girls and support the work of Girl Scouts of Utah. The event features the opportunity for attendees to mentor high-school-age Girl Scouts and young alums. For many of these girls, this is their first

opportunity to connect with leaders in their prospective career fields.

We also celebrate our Girl Champions - leaders in each of our four pillars: Life Skills, Entrepreneurship; Stem; and Outdoors.

**We will be back in 2021, and will be honoring our new Girl Champions:**

- **Life Skills** - Dr. Tiana Rogers
- **Entrepreneurship** - Lavanya Mahate
- **STEM** - Tami Goetz
- **Outdoors** - Wendy Fisher

## Thank You, Harmons!

After booths had to close due to the pandemic, we were left with thousands of unsold cookies. Harmons Grocery generously stepped in and took cookies on consignment to sell in their stores. This allowed us to move through our remaining inventory, while still benefiting local Girl Scouts. In total, over 72,000 packages of cookies were sold in stores! Thank you, Harmons, for being a true Hometown Hero!

## Support Girl Scouts of Utah

The world needs Girl Scouts now more than ever. These are extremely challenging times, but it is also the perfect time for Girl Scouts to shine! We have always been known for our ability to try new things and face new challenge, and even though these challenges can sometimes be overwhelming, our girls and volunteers are facing them with optimism and creativity.

We remain steadfast in our commitment to making Girl Scouts accessible to all girls, regardless of their family's financial situation. It is through the generous support of our donors and partners that we are able to provide financial assistance to girls for programs, camp, and even their yearly membership.

We have been building girls of courage, confidence, and character for over 100 years. With your continued help, we will continue for years to come.
