Donor Circle: Why I Give

Fran Bush's Girl Scout journey began when her mother decided to form a troop to help "bring her out of her shell." She believes it was the best thing her mother ever did for her. Fran later earned her Curved Bar rank (equivalent of today's Gold Award) and stayed at Camp Red Cliff four times, where she fell in love with the outdoors and Girl Scouting. Fran was a troop leader in Ogden, Logan, and California during her college years, and eventually became the leader for her oldest (Brownies and Juniors) and youngest daughters (Brownies).

"I have many fond memories of my Girl Scout experience that go back to 1950. I love the idea of 'returning financially' to the organization so that girls and adults can benefit from the many programs offered. I like the way advancement opportunities and activities have changed to keep up with the times. My daughter benefitted from one of the opportunities available when she was a Cadette. Somebody contributed money to make that opportunity available to her and other girls."
