Summer Solstice Art Auction & Fundraiser Success!

On Monday, June 21, GSU held its first in-person fundraising event in over a year! The Summer Solstice Art Auction & Fundraiser featured 11 pieces of Girl Scout art for auction and celebrated the start of summer and the return of in-person Girl Scout camp. Over \$4,500 was raised in support of Girl Scout camps!

Guests enjoyed delicious food and Girl Scout Cookie-inspired drinks - a favorite among the guests was the Lemon Drop, based on the Lemon Up cookie – all prepared by the wonderful staff at One-0-Eight.

We are so excited that after a year of virtual learning and social distancing, girls will have the opportunity once again to attend our incredible camps. Thank you to everyone who attended for helping support our camps, where girls can build memories that will last a lifetime!

Send a Girl to Summer Camp

Each summer, more than 2,000 Girl Scouts head to summer camp at Trefoil Ranch and Camp Cloud Rim here in Utah. Through a variety of outdoor activities like rock climbing, hatchet throwing, backpacking, and horseback riding, camp provides a safe space for girls to develop outdoor and life skills, healthy relationships, and a strong sense of self. 81% of Girl Scout camp alum have a willingness to try new things and 74%

say they can persevere through challenges.

Spending time at camp increases a girl's self-confidence, and studies show that exposure to greenspaces improves cognitive functioning and reduces stress. With girls experiencing a mental health crisis, made worse by the isolation of a global health pandemic the past year, girls need camp now more than ever. Your support ensures Camp Cloud Rim and Trefoil Ranch can deliver life-changing experiences to girls for years to come. As we enter the 2021 camp season, please consider providing the gift of camp. One week of camp costs \$350, but any amount toward camperships is appreciated.
