Invest in a Girl-Led Future
This Giving Tuesday,
November 30.

Giving Tuesday is November 30

Giving Tuesday is an annual global movement that allows Girl Scouts to be part of the national conversation on giving while benefiting from the generosity of others. You can support Girl Scouts of Utah by purchasing much needed items from our Amazon Wish List that will benefit our camp properties, Camp Cloud Rim and Trefoil Ranch.

Girl Scout Tree Promise

Last month, 40 Girl Scouts joined us as we planted trees at Trefoil Ranch. The morning was filled with learning as girls made Leave No Trace skits, learned about the parts of a tree, and took a tree-spotting hike around camp. In the afternoon, girls planted 24 aspens in two locations around camp. Although it rained all day, these Girl Scouts kept going and helped to make camp a better place.

Annual Appeal

GSU's Annual Appeal is a way for families and members to invest in girls' futures by financially supporting programs, camp improvements, financial assistance, volunteer support, and other critical services. A donation to the Annual Appeal impacts all girls in Utah.

2021 Gold Award Girl Scouts

The Girl Scout Gold Award is the mark of the truly remarkable—proof that not only can she make a difference, but that she already has.

Seniors and Ambassadors who earn the Gold Award tackle issues that are dear to them and drive lasting change in their communities and beyond. Gold Award Girl Scouts don't just change the world for the better, they change it for good.

2021 Gold Award Girl Scouts

- **Jade's** project "Expanding Athletic Opportunities for Girls" aimed to provide the same opportunities she enjoyed growing up while playing softball to other young girls.
- **Jessie's** project "Chicks to Chickens" began when she noticed that many people purchase pets, chicks specifically, when they are young and cute but don't understand the care an adult chicken will need.
- **Kayla** worked with the University of Utah Health Hospital to create a program to help the pediatric patients feel more at ease and educated about their surgeries.

- **Mikayla's** project focused on making information accessible to everyone regarding how to keep themselves and others safe and healthy from COVID-19, including proper mask wearing.
- **Shaylee's** project aimed to raise awareness about the importance of being an organ donor, including how easy it is to sign up on your driver's license.
- **Tamma**, inspired her love of the outdoors, created a video and flyer about dalmatian toadflax, an invasive species, and mapped out toadflax in the Timpanogos Wilderness area.
