

Summer Camp: Home Edition 2020

Join Chocolate and Gypsy as we bring your favorite camp activities to your home! To get started, you'll receive a box full of camp fun delivered to you to help get you excited for your week of camp. Spend 1-2 hours each day with the Camp Directors as we explore badges, learn outdoor skills, create crafts, and end the week with a virtual Girl Scout campfire and optional overnight experience! You'll have the opportunity to connect with fellow campers from throughout the state of Utah and be on the lookout for surprise guest visitors as well. Girls in 4th grade and up will have the option to add an additional 3 hours of extra programming each week.

We can't wait to continue the tradition of Girl Scout Camp with you this summer!
