## Cookies & Product Program

### 2022 Troop Cookie Proceeds

If your troop earned the Early Bird extra proceeds for the 2022 Cookie Program, the money is to deposit in your troop bank account the week of May 30. Check your bank accounts for the deposit. Please contact the finance department for any questions at [finance@gsutah.org](mailto:finance@gsutah.org).

### Little Brownie Baker Rewards

Little Brownie Baker rewards will ship to the Service Unit Product Program Rep. the week of June 27. We are currently working with Vans and will email the Girl Scout's caregiver with the eGift card. Once the email is received, Girl Scouts can go to the Vans website to redeem and design their very own shoes or backpack.

### Activity Credits

Activity Credits are in the mail. Please watch your mailbox for them and be sure to keep them safe. They are just like cash. If lost or thrown away, they are not replaceable.

## Volunteer Support

### How to Maximize Your Girl Scout Volunteer Experience on Your Résumé

You already know that you do amazing things as a Girl Scout volunteer, but do potential employers?

Making your volunteer experience pop professionally on your résumé can give you a leg up in your job search, whether you're seeking a new role at your current workplace, looking to change jobs, or hoping to reenter the workforce after a break. "Girl Scouting builds girls of courage, confidence, and character who make the world a better place... but Girl Scouting also builds resumes," says Lindsay Hayden from Girl Scouts of Greater Chicago and Northwest Indiana.

## Camp & COVID-19 Update

The safety of our Girl Scouts, volunteers, and staff is the highest priority for Girl

Scouts of Utah. COVID practices for summer 2022 were made based on recommendations from the Centers for Disease Control and Prevention (CDC), Girl Scouts of the USA (GSUSA), and the American Camp Association (ACA). The [protocols](#) are designed to give families a general idea of camp operations this summer and are subject to change. We will continue to monitor this very fluid situation and make updates regularly.

**Action needed:** If you have a Girl Scout attending camp this summer, please review the [Camp and COVID-19 protocols](#) now so we have time to address any questions you may have. Send questions to [info@gsutah.org](mailto:info@gsutah.org) or call 801-265-8472.
