

# Design the next Spring Renewal patch!

## It's time to show off your creative side!

Have you ever dreamed of creating your own patch that would be worn by thousands? Now's your chance! Girl Scouts of Utah members in grades K-12 are invited to design the 2022 Spring Renewal patch with imagery from one of our program pillars: Life Skills. This patch will be given to Girl Scouts in our council when they complete their spring registration.

To enter, use the circle on this page to draw your patch design. Make sure it incorporates our Life Skills pillar! Then, submit this flyer to your nearest Girl Scout office by January 21, 2022. You can also scan and email your submission to [info@gsutah.org](mailto:info@gsutah.org). Girls will vote on patch designs during the January 25 council virtual World Thinking Day event, and the winning patch design will be announced on our website and Facebook page!
