

Design the next Spring Renewal patch!

It's time to show off your creative side!

Have you ever dreamed of creating your own patch that would be worn by thousands? Now's your chance! Girl Scouts of Utah members in grades K-12 are invited to design the 2023 Spring Renewal patch with imagery from one of our program pillars: Outdoors. This patch will be given to Girl Scouts in our council when they complete their spring registration.

To enter, use the circle on this page to draw your patch design. Make sure it incorporates our Outdoors pillar! Then, submit this flyer to your nearest Girl Scout office by February 8, 2023. You can also scan and email your submission to info@gsutah.org. Girls will vote on patch designs during the February 11 council World Thinking Day event, and the winning patch design will be announced on our website and Facebook page!
