FAQs FOR VOLUNTEER RECRUITERS & NEW TROOP LEADERS

1. How can I qualify for the promotion?

As a Volunteer you can “invite a friend” to be a leader and start a new troop by submitting the Invite a Friend Online form between October 26 — Dec. 22, 2020. You must be at least 18 years old, be a registered adult member with Girl Scouts of Utah for the 2020/2021 membership year (or be a lifetime member,) and must have a current background check on file.

2. How many friends can I invite?

You can invite as many friends as you would like to start two separate NEW troops and qualify for the incentives.

3. What does my friend need to do to qualify?

Your friend will need to start a new troop by officially purchasing a membership and be an approved volunteer Troop Leader or Co-Leader, by submitting an online volunteer background check no later than December 22, 2020.

4. What if the new troop has two leaders—will each leader receive a coupon?

No, only one coupon will be issued per new troop to the leader that officially starts the new troop. What if my friend is already a Girl Scout Leader? Your friend will qualify by starting a NEW troop (with new girl members) between October 26 — December 22, 2020, even if she/he is already a current volunteer and leader of another troop.

6. Can the new troop be any level or grade?

Yes, new troops of any level qualify if they meet the criteria of a new troop (with one or more leaders, adequate number of adult volunteers and girls.)

7. How can the gift certificate be used?

The new troop may use the coupon for any qualifying in store purchase at 445 E. 4500 South, Salt Lake City, Utah, 84107. We suggest using the New Leader gift certificate to purchase an insignia tab and pins for all of the troop leaders and a “Girl’s Guide to Girl Scouting” book for the troop plus a Journey book or badges/ patches for the girls as funds allow.

8. Where can I learn more?

Visit gsutah.org, navigate to the “Volunteer” tab, then click “Online Support for Volunteers” on the left. Select “Invite-a-Friend” from the list of dropdown items on that page.
