

MEET MY GIRL

This form is designed to give your girl's troop leader additional information about her that is not included on the health history form. Please deliver it to your troop leader when complete. We hope this will help make your girl's time in Girl Scouts happy, rewarding, and exciting!

Dear Troop Leader,

My girl, _____, is excited about being a Girl Scout, and so am I. This is her first year in your troop, and I want you to know a little more about her, so meet my girl:

My girl is most happy when...

She is unhappy when...

She gets excited about...

She is afraid of...

My hopes for my girl's experience with Girl Scouts are... and I want her to experience...

She is most looking forward to.....in Girl Scouts. She's concerned about...

Her favorite activities at home, neighborhood, and school are...

I worry about ... with this program.

A successful experience for my girl includes... and helps my girl be successful.

Her needs in this program include... (medical, safety, mobility, and social/communication)

She is motivated by... (How do you let her know she's doing a good job? What type of encouragement do you use—verbal, etc.)?

How would you like to participate in your daughter's experience? What kind of help are you interested in providing?

Parent/Guardian Name: _____ Date: _____

Thank you to our sister council, Girl Scouts of River Valleys
