Get into the spirit of Earth Month with these upcoming events

We have two upcoming earth events: [Celebrate Earth Month](#) on April 15 at Trefoil Ranch and the [Earth Day Service Project](#) on April 22 at the SLC office. These events will get your Girl Scouts outdoors and enjoying nature. Celebrate Earth Month will focus on eco-science activities like conservation, plants, and earth science. The Earth Day Service Project will include a short eco-science lesson, including a take-home project, followed by a service project to plant native plants

at the SLC office. Both events are family-friendly, so register your non-Girl Scout siblings as “girl nonmembers.”

Cornelia Benton Scholarship deadline is less than a month away

The Cornelia Benton Scholarship was started in 1991, thanks to lifetime Girl Scout "Cornie" and has continued as a scholarship opportunity for active, high school senior Girl Scouts to apply for financial aid for their continued education. This prestigious scholarship is awarded based on service, leadership skills, and awards and doesn't consider academic grades or test scores.

The application period for this year's Cornelia Benton Scholarship is now open, and completed applications must be turned in by April 4. The scholarship is eligible to graduating high school seniors who are current Girl Scouts of Utah members and have been actively registered for six or more years. Please note that a letter of recommendation is also due with the application. The complete list of requirements can be found on GSU's website under [Scholarships](#). Regarding questions, reach out to programs@gsutah.org.

Action needed: Submit a completed [application](#) and reference letter by April 4, 2023.

Get your photo featured on the new GSU website

Girl Scouts of Utah members have a chance to have their photos featured on our website. We're moving to a new website this year and would like to highlight our local Girl Scouts.

Before you share your photo and optional story, please keep the following items in mind:

- You must have permission from the adults and caregivers of the minors pictured.
- Submission of a photo does not guarantee use on the website.
- If possible, please avoid blurry, low-quality images.

Action needed: Submit your [Girl Scout photos](#) by March 31.

Program Spotlight: STEAM Sampler

Ready, set, full STEAM ahead! Join us in Daybreak, where STEM and the arts collide. In our STEAM sampler, Girl Scouts will create beautiful tessellations, build kinetic sculptures, and learn engineering through a hands-on activity from the Society of Women Engineers. Whether your Girl Scout loves art, science, or engineering, this event is the perfect blend. Space is limited, so reserve yours today!

Action needed: Register for [STEAM Sampler](#) by March 28.

Girl Scout Activity Zone – Upcoming Programs

Find all upcoming programs on our [Event Calendar](#). We work hard to offer a variety of programming including events at our camps and resource centers, events in partnership with Program Community Partners, and virtual events.

Visit the [Girl Scout Activity Zone](#) to explore hundreds of activities online for all ages.
