## Get your photo featured on the new GSU website

Girl Scouts of Utah members have a chance to have their photos featured on our website. We're moving to a new website this year and would like to highlight our local Girl Scouts.

Before you share your photo and optional story, please keep the following items in mind:

- You must have permission from the adults and caregivers of the minors pictured.
- Submission of a photo does not guarantee use on the website.
- If possible, please avoid blurry, low-quality images.

 **Action needed:** Submit your [Girl Scout photos](#) by March 31.

### **Program Spotlight: Celebrate Earth Month at Trefoil Ranch**

Join GSU at our beautiful Trefoil Ranch this spring for an exciting afternoon of conscience. This family-friendly event is a perfect way to explore how STEM can be applied to the outdoors. We'll complete an ecology engineering design challenge, build a rain gauge for your science project, take a tree hike, and explore the exciting world of Leave No Trace through skits and edible campfires. Not only is this an opportunity to learn more about ecology and experience Trefoil Ranch in the spring, but it's also a great way to get started on several badges like Trees, Eco Friend, and Eco Camper.

 **Action needed:** Register for [Celebrate Earth Moth at Trefoil Ranch](#) by April 9.
