Troop Camp Experiences

Grab your troop for fun and bonding this summer! For new or seasoned troops, explore the different camp options, each featuring a variety of activities for your group.

Embark on a summer adventure with Troop Camping, Camporee, and/or Ranch Camp experiences. Let camp staff lead you through program activities at a minicamp, or plan your own (with some council support!) with a troop camp rental.

Registration opens January 15 at 12:00 p.m., and spaces fill quickly!

Information and registration are available at gsutah.org/camp.

Adult Ratios and Training

Adult Requirements

To ensure the safety of all Girl Scouts, every adult in attendance must be a registered Girl Scout member with the troop, have a current background check on file, and be up to date on Youth Protection Training. Adults must meet this criteria two weeks prior to the event to avoid having their registration cancelled.

Adult to Youth Safety Ratios

Troop Camping, Camporee, Ranch Camp

Troops are expected to follow the ratios below, regardless of age level(s) of Girl Scouts attending.

Number of Youth	Min. Adults	Max. Adults
Up to 10	2	3
11-15	3	4
16-20	4	5
21-25	5	6

If your troop has a special situation requiring more adults than what this ratio would provide, troop leaders should indicate this during the registration process.

Minicamps and Troop Rentals

Troops must follow Events, Travel, & Camping ratios as outlined in Safety Activity Checkpoints, including having a minimum of two adult volunteers and five Girl Scouts.

We encourage troops to only bring the number of adults needed for ratio; however, we do understand that additional adults may be desired for accessibility and to aid in the progression of overnight camping.

Camping 101 Training

One troop leader is required to have this training for Camporee; Camping 101 training is not required for other troop camp experiences in this booklet.

Lodging Spaces

During the late spring, summer, and early fall, troops stay in platform wall tents or cabin units at both camps. Bathrooms are located nearby.

- * Platform wall tent – sleeps 4 people per canvas wall tent with a wooden floor

- * Cabin – open room sleeps 8-10 people and has electricity

At Trefoil Ranch, troops might stay in one of the three main buildings.

- * Bunkhouse – each room sleeps 4 people with 2 bunk beds

- * Ranch House – meeting rooms with provided mattresses

- * Lodge – meeting rooms with provided mattresses

Registering Your Troop
