Participant Numbers

Troops are expected to follow a 1:5 ratio (one adult to five campers), regardless of age level(s) of Girl Scouts attending. Troops are required to pay for the number of youth and adult spaces reserved during registration (\$165/space). For example, if your troop reserves 12 spots during registration and only 11 people attend, the troop is still responsible for paying for the 12th spot.

List the number of campers entering each grade level in the fall 2024.
