

# Family Star

We understand that there are only so many hours in a day. Girls and their families have to balance many interests, commitments, and responsibilities. That's why Girl Scouting is more flexible than ever!

## What can the Family Star Program do?

- Open the door to participation for parents and families
- Build a solid support base and strengthen a Girl Scout's chances of longevity with the troop
- Have a positive effect on the troop and your daughter through your participation
- Help your troop accomplish more
- Increase communication between you and other troop families

## Customize Your Role:

On the back of this flyer is a list of ways you can support the troop this year. Simply indicate how you plan to help, and return that portion of this flyer to your troop leader. Fill out the tear-off and keep it for your reference. This is open to all adult family members!

# Yes! I Can Help!

Place a checkmark in the boxes next to the things that you can do to help make this a great Girl Scout Leadership Experience for all the girls in the troop! Please return this section to the troop leader.
