

## SLEEPING ARRANGEMENTS FORM For Travel/Trips

Some of the most memorable moments in a Girl Scout's life happen while taking trips. Travel offers a wealth of opportunities for girls to develop leadership, confidence, and practical life skills.

At times there may be a need for her to share a bed with another person.

This is a release allowing your child to share a bed with another child if the situation presents itself.

GSUSA *Safety Activity Checkpoint for Travel/Trips* stipulates that the following guidelines be followed:

- Each participant has her own bed.
- Parent/caregiver permission must be obtained if girls are to share a bed.
- Girls and adults do not share a bed; however, an exception is made for mothers and daughters.
- It is not mandatory that an adult sleep in the sleeping area (tent, cabin, or designated area) with the girls, but if an adult female does share the sleeping area, there should always be two unrelated adult females present.

For more information reference the Safety Activity Checkpoints.

I understand the guidelines above and agree to allow my child to share a bed as stipulated above if the situation presents itself.

This form must be signed by both the Girl Scout and the parent/caregiver.
