

LOVE THE DUCKS? KEEP THEM SAFE!

Feeding ducks might feel nice
but it can make them sick.

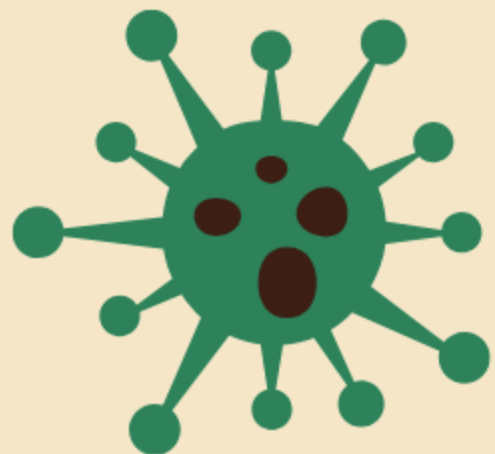

BREAD IS BAD

It's like candy, not healthy food.

DUCKS NEED BUGS & PLANTS

To grow big and strong.

TOO MANY DUCKS = SICK DUCKS

Germs spread fast in crowds.

ROTTING FOOD ATTRACTS RATS

Yuck!

girl scouts
of utah

The kindest way to care for ducks is to watch, smile, and take pictures - **NOT** feed them.

Sofia, Girl Scout. Troop 129
