## **Cookie Booth Spotlight: Outreach**

Girl Scout Cookie season for the Outreach program has been a huge success! We had 20 troops participate in this year's sale, and each Girl Scout sold over 250 packages of Girl Scout cookies (some troops sold 500+). With every cookie booth delivery, we experienced helpful Girl Scouts and handmade posters/banners hanging all around their schools to promote their sales.

While running the cookie sale for our troop, the Bud Bailey Apartment Community was special. We hosted two booths for them, one at the Bud Bailey Apartment Community and the other at a Walmart. The staff and volunteers at Housing Connect, Utah Refugee Connection, and Girl Scouts of Utah worked together to ensure this troop felt the support of their community and led them to an incredibly

successful cookie sale. When we dropped the girls off after their store booth, their parents were waiting for them, and the girls excitedly, and all at once, told their parents how much fun they had. We could hear their stories and laughter down the corridor. We cannot wait to celebrate with a post-cookie party.

Your contributions to Girl Scouts of Utah enable us to provide fun, memorable, and impactful opportunities for all girls in Utah. Thank you for all your support.

### **Another year of sharing the gift of membership**

Spring renewal has begun, and girls are getting ready for more laughs, friendships, and incredible memories through Girl Scouting. Between now and May 31, Girls Scouts of Utah is gifting free renewal for all members. Donors like you make this possible and allow us to provide this incredible offer to girls. If you'd like to help us continue giving the Gift of Girl Scouts, consider making a \$25 donation to cover the membership fee for a girl.

### **Camping For a Cause – Registration Opens May 18**

Join us at Camp Cloud Rim from August 18-19 for Camping for a Cause! Camping for a Cause is Girl Scouts of Utah's annual glamping event, where women enjoy a weekend of fun activities and the camp experience that our girls love so much. All proceeds support GSU camp programs, where girls develop invaluable leadership and life skills. More details to follow.

## Partner Spotlight: AmeriCorps NCCC

GSU is thrilled to announce we will once again partner with AmeriCorps NCCC and host a team this summer. A crew of ten young adults will spend six weeks with us as they work on projects to build the best possible camp environment for girls. Last year, these projects were instrumental in preparing, preserving, and stewarding the camps before campers arrived for the summer. AmeriCorps is the federal agency connecting individuals and organizations through service and volunteering to tackle the nation's most pressing challenges. AmeriCorps National Civilian Community Corps (NCCC) is a full-time, team-based residential service program

for 18 to 26 year olds. Team members work nine months out of the year, responding to various community needs.
