

March 2023,

Happy Birthday GSUSA

March 12 marks the 111 anniversary of GSUSA. On this day in 1912, Juliette Gordon Low officially registered the first 18 members of Girl Scouts. That small gathering of girls in Savannah, Georgia, has grown to today, where girls have found ways to create a better future for themselves, their communities, and the world. Let's celebrate the problem solvers, go-getters, dreamers, and doers creating a better future for all.

Send a Girl to Camp

Annually, thousands of campers head to the mountains for new adventures, friendships, and skill-building at Trefoil Ranch and Camp Cloud Rim. For many Girl Scouts, it's their first trip away from home. For others, the cost to attend camp is out of reach.

Our summer camps allow girls to explore nature, connect to the environment, and take on adventures. The generosity of our donors is crucial to making camp experiences happen for girls who may otherwise not have the opportunity. With your support, we can ensure all girls can participate in transformative outdoor experiences. One week of camp costs \$500, but any amount toward camperships supports our campers. We invite you to help us prepare girls for new challenges and give girls outdoor experiences that help them develop the tools they need to succeed.

Program Spotlight: World Thinking Day

On February 11, Girl Scouts of all ages met at Trefoil Ranch to celebrate World Thinking Day. They examined the connection between living things in an ecosystem, played a game focused on how communities share resources with each other, and painted a pot so they could watch their plant grow at home. In addition, we had four Council Sponsored Events hosted by Service Units around the state celebrating World Thinking Day. Girls loved the opportunity to connect with the global movement and think about issues that affect people around the world each year for this Girl Scout holiday.

Cookie Booths Open This Month

Girl Scouts are in the middle of Cookie Season, and they have been working toward their goals. Come see them in action! Cookie Booths will be open between March 24 and April 8.

The Girl Scout Cookie Program is the largest girl-led entrepreneurial program in the world. It teaches skills such as goal setting, decision making, money management, people skills, and business ethics.

Proceeds from cookie sales stay local and help power experiences for Girl Scouts throughout the year. Our young entrepreneurs are growing skills and earning money for experiences -- from camp to travel to service projects -- that create memories that last a lifetime. We hope you will help us support them!

Walmart Round-Up

Between March 1 and March 31, Walmart is matching customer donations 2 to 1 when a customer rounds up their purchases to give to charity. Please help us take advantage of this opportunity by designating Girl Scouts of Utah at Walmart.com or on the Walmart app. Then, when you shop at Walmart, simply round up your purchase, and the extra goes to support our Girl Scouts.
